		Number of Students	Percentage of Students
The denominator for calculating the required percentages for rows 4 and 6 are all students in membership at grade 3 for the first day of spring testing. The denominator for the state is 73.			
4	The number and percent of students eligible for priority enrollment in reading camp. This number equals row 2 minus the total of rows 3a through 3e.	17	23.3%
The denominator for row 5 is the number of students eligible for priority enrollment in reading camp from row 4.			
5	The number and percentage of students eligible for priority enrollment who attended reading camp.	13	76.5%
6	Total number and percentage of students retained for not demonstrating reading proficiency on third-grade standards (students deemed proficient after reading camp are subtracted from this number). Students who are not proficient will be either: (1) retained in a third-grade class, (2) placed in a transitional third and fourth grade class combination, or (3) placed in a fourth-grade accelerated class with a retained reading label.	16	21.9%
7	Charter Schools Only. Charter schools must indicate the number and percentage of retained students recorded in number 6 who do not return to the charter school for the upcoming school year.	*	*

¹ The number of students who passed each alternative assessment is denoted in this column. If the approved alternative assessment was not used, N/A is shown. If the number of students who passed the alternative assessment is fewer than ten students, an asterisk (*) is shown.

Privacy policies dictate that for less than ten students, the specific number and percentage should not be given. An * indicates that the student population number and percentage is too small to report the value. The percentage and number of students are not shown if the percentage is greater than 95 percent (>95) or less than 5 percent (<5).
