

## Young Fives “Highlights”

Young Fives is the best! We will be exploring many different themes this year using hands-on manipulatives, real life experiences, and learning how to make things all while incorporating rich literature into our everyday lives. For the letter Aa, we will explore all things apples. We will paint with apples, make homemade applesauce in the class (each student will peel and core their apple), taste different apples and graph our favorites, and read many books about apples. Students will master their letters, sounds, numbers to 20, and begin to read. One of the best parts of our day is when we split up into groups and truly differentiate our small group time in order to meet everyone’s needs.

## Exciting Opportunities

With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically.

Vista Academy has the best of both of these: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome and handshake making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other’s strengths.

## A Standard of Excellence

The Young Fives/Kindergarten team is very focused on making sure your child meets all of their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to plan strategies and resources that will best meet the state objectives as well as the needs of our students.

# Supply List

## Needs

- Small pack of crayons
- Child safety scissors
- Glue sticks
- Pencil case (label with your child's name)
- Headphones (label with your child's name)
- Old sock, rag, or Expo eraser
- Bookbag (label with your child's name)
- Water bottle with secure lid (label with your child's name)
- Fitted toddler sheet and blanket (naptime) (label with your child's name)
- Bag of extra clothes (just in case) (label with your child's name)

## Wish List

- Playdoh
- Envelopes
- White three ring binder
- Clorox wipes
- Ziploc bags (gallon, quart, or sandwich size)
- Stuffed animal or toy for nap time. NONE THAT MAKE NOISE.

# Welcome to Kindergarten!

## Meet the Teachers!

### Mrs. Sarjeant

My name is Kailani Sarjeant and I love teaching at Vista! I am originally from Hawai'i and grew up on the Windward side of O'ahu. I earned my undergraduate degree from Aquinas College and master's degree in Reading from Western Michigan University. I am a certified Reading Specialist for grades K-12 and have nearly 30 years of teaching experience. I am proud to have been a regional semi-finalist for the MDE 2019-2020 Michigan Teacher of the Year award and a finalist for NHA's 2020 – 2021 Excellence in Teaching award. I am married, and my husband and I have raised two wonderful children.

In my free time I enjoy cooking and baking, reading, volunteering, traveling, and the outdoors. As a family, we enjoy camping, traveling, and supporting great causes – especially local charities! I am afraid of frogs, my favorite color is red, and I don't like pizza! I am looking forward to a great year of learning and growing in Kindergarten and I can't wait to meet you!

### Ms. Brown

My name is Gabrielle Brown and I enjoy teaching at Vista! I am originally from Earle, Arkansas but was raised in Detroit, MI. This will be my tenth year teaching and my sixth year teaching at Vista. I have been a Teacher in Residence and I have been teaching kindergarten for five years. I graduated from Grand Valley State University with my Bachelors in Elementary Education in 2011 and my Master's in Special Education in 2016. I completed my Early Childhood Certificate from Aquinas College in 2020.

When I am not teaching, I enjoy volunteering and giving back to the community. I am an active member of Sigma Gamma Rho Sorority Inc. and we have events and fundraisers geared toward educating and helping the community. I also enjoy traveling and seeing new places. My favorite color is teal, my favorite food is tacos (all kinds!), and I love polka dots. I can't wait to learn and grow with you!

### Mrs. Ashley

My name is Laura Ashley and this is my third year teaching at Vista! I am originally from Spring Lake and went to college at Central Michigan University. I studied early childhood development and reading. I taught kindergarten abroad in Costa Rica, Chile, and China for 4 years before settling down in Grand Rapids. I just got married last summer! Some of you may know me as Ms. Lukkari but now I am Mrs. Ashley.

In my free time I enjoy traveling, yoga, baking & cooking, and swimming! I love spending time outside throughout the year but especially in the summer. I also enjoy camping with my husband and our two dogs, Lucy and Ned. I can't wait to be your teacher!

# Supply list:

## **DO NOT write your name on these items:**

- 1 box of Kleenex
- 2 boxes of 24 count **Crayola** crayons
- 4 **Elmer's** glue sticks
- 1 **empty**, clear plastic pencil box, solid color, no designs

- 12 black **EXPO** whiteboard markers
- 1 box of 24 count **Ticonderoga** pencils
- 1 container of **Clorox** wipes

- 1 pk of 10 **Crayola** Markers (labeled Art)

## **Please write your name on these items:**

- 1 Complete change of clothes in a gallon size zip-lock bag
- 1 Art shirt
- 1 pair of earbuds or headphones (for daily computer use)
- Backpack (no wheels, please)

**\*\*No other supplies are necessary\*\***

## Kindergarten “Highlights”

During the school year we take multiple opportunities to enjoy being together, having fun and learning in a different way. In the fall, we have a Harvest Party to celebrate the season. In the winter, we have a Winter Party to celebrate the season. We take a trip to a musical performance, celebrate the 100th day of school, and celebrate March is Reading Month. Students can look forward to many more fun activities throughout the year, as well.

## Exciting Opportunities

With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically.

Vista Academy has the best of both of these: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome and handshake making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other's strengths.

## A Standard of Excellence

The kindergarten team is very focused on making sure your child meets all of their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to plan strategies and resources that will best meet the state objectives as well as the needs of our students.

# Welcome to 1st Grade!

## Meet the Teachers!

### Mrs. Kozlowski

Hello, my name is Mrs. Kozlowski (Mrs. K if that is easier!) and I am one of the 1st grade teachers! I have lived in and around Grand Rapids my entire life. I am a graduate of Grand Valley State University [Grab your reader's attention with a great quote from the document or use this space to emphasize a key point. To place this text box anywhere on the page, just drag it.]

with a major in English Language Arts and a minor in Elementary Education and a Master's Degree in Special Education. This year will be my 8th year teaching at Vista Charter Academy and my 10th year teaching.

Vista provides the students and staff with everything we need so that we can focus on learning and having fun! I am passionate about building positive relationships with my students and families to help create a safe and fun learning environment for all. When I am not at school I love to be with my family. I have been married to my husband John for 15 years, and we have two children together: Jackson (9) and Jameson (6).

My favorite thing about teaching first grade is being able to watch my students grow

### Mrs. Kleyn

Hello! My name is Mrs. Kleyn and I am one of Vista's first grade teachers! I am a graduate of Central Michigan University with a Bachelor of Science in Education and majored in Early Childhood Development and Learning.

I am excited to begin my second year of teaching 1<sup>st</sup> grade at Vista Charter Academy! Vista provides a safe and fun learning environment for all students. I am thrilled to have the opportunity to provide that type of environment in my classroom as well. I grew up in Alpena, Mi but moved to the Grand Rapids area a few years ago with my husband Weston.

My favorite thing about teaching first grade is seeing the student's reading skills grow tremendously and their love for reading grow as well! I am excited to start the new school year and cannot wait to meet you! Please keep reading all summer!

## Mrs. Vandenberg

Hi there! My name is Mrs. Vandenberg and I am so excited to teach 1<sup>st</sup> grade this school year! I was previously a 2<sup>nd</sup> grade teacher at Vista for the last two years and I am eagerly awaiting my incoming first graders!

I have a Bachelors degree in Social Work from Grand Valley State University and a Masters degree in Urban Education from Davenport University.

My husband (Mr. Vandenberg, technology teacher at Vista) and I live in Grand Rapids with our dog Sully and our cat Charlie. We absolutely love Vista Charter Academy because of our diverse community of learners, dedicated staff, and incredible families!

I am all about social emotional learning, building strong relationships with scholars and their families, and making learning fun and engaging. I have no doubt that we are going to have an incredible school year in first grade!

**Supply list: Most supplies will be shared class supplies. Please do not label items unless indicated otherwise.**

- 1 pair headphones (in a bag labeled with their name)
- Gym Shoes (labeled with name)
- Backpack (labeled with name)
- Reusable water bottle (labeled with name)
- 1 pack of **black** dry erase markers
- 4 boxes of Kleenex
- 3 rolls of paper towel
- 2- pink Papermate erasers
- 24 yellow pencils (Ticonderoga, pre-sharpened preferred)
- Glue Sticks (Elmers, purple brand)
- 3 boxes of 24 count crayons (Crayola preferred)
- Disinfectant wipes
- Ziplock bags (sandwich size)

An extra supply that is so helpful is **class snacks!** (Pretzels, fish crackers, or animal crackers are suggested. **Individual bags, please!**)

\*Please only send supplies on the list. Any other supplies will be sent home (notebooks, folders, etc.)

## 1st Grade “Highlights”

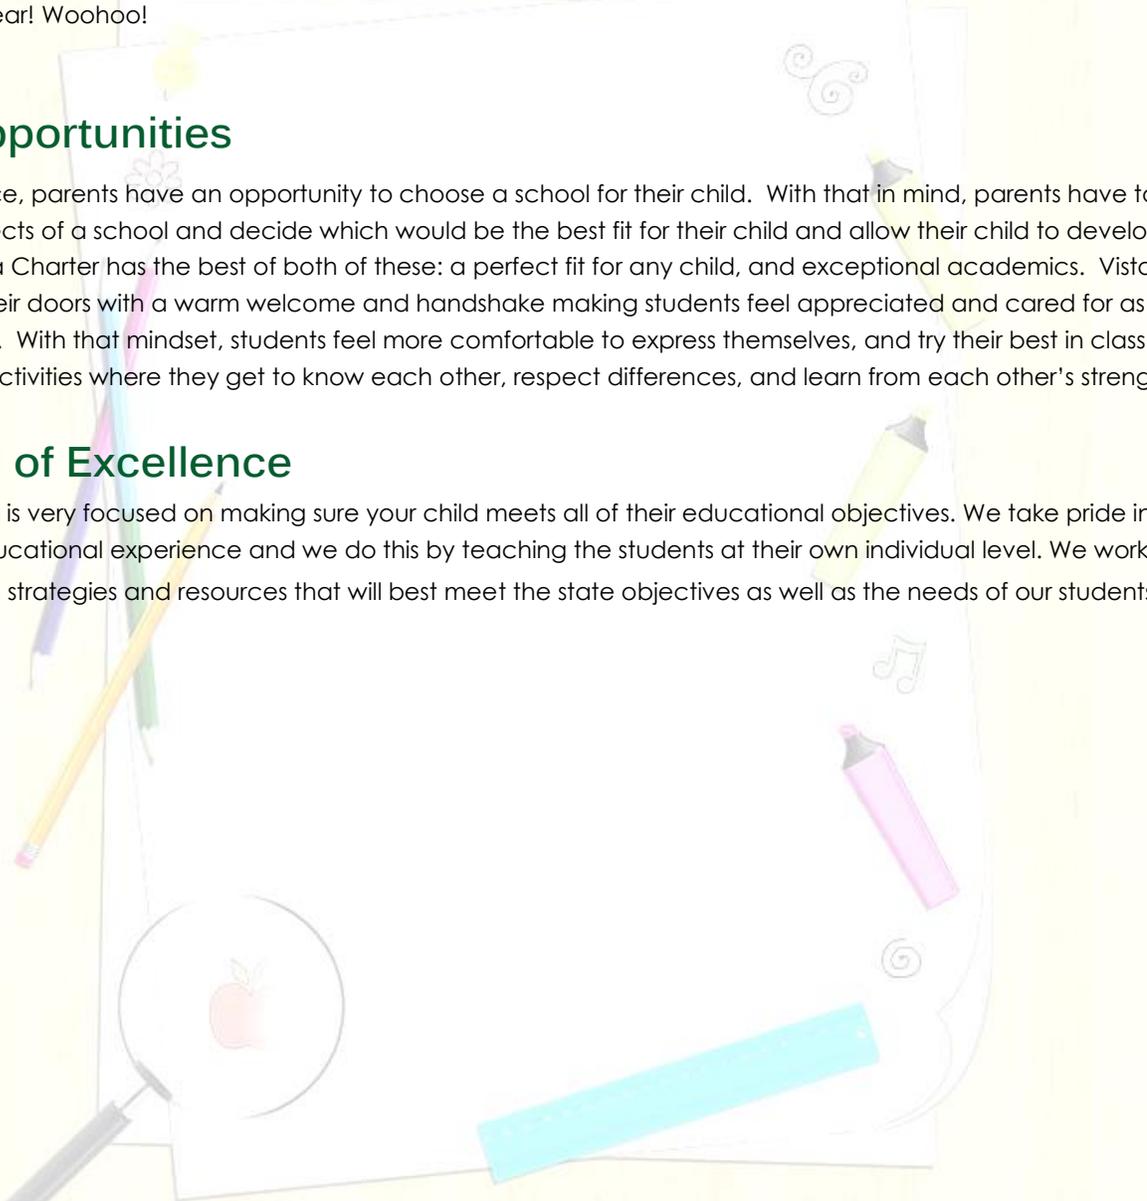

First grade is a very exciting year of learning! We begin the year by counting each day and when we get to 100th day of school, we celebrate by participating in an array for fun 100 themed activities! We also love to celebrate reading. On Dr. Seuss's birthday, the teachers travel from room to room sharing their favorite Dr. Seuss book! First grade is a wonderful time filled with learning and fun that will be sure to make our year special. While this year is full of fun, the best part is that first graders will become independent readers by the end of the year! Woohoo!

## Exciting Opportunities

With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically. Vista Charter has the best of both of these: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome and handshake making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other's strengths.

## A Standard of Excellence

The first-grade team is very focused on making sure your child meets all of their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to plan strategies and resources that will best meet the state objectives as well as the needs of our students.

# Welcome to Second Grade!

## Miss. Wilbur

Hello fabulous second grader and family! My name is Miss Wilbur; I am pleased to be your second grade teacher. This is going to be my ninth year at Vista Charter Academy and I cannot wait! This is my twelfth year teaching, as I have had previous experience teaching first, second, and third grades.

I graduated in 2010 from Calvin College with a Bachelor's degree in Business. My love and enjoyment of working with children led me back to Calvin College, and in 2013 I graduated with a degree in Elementary Education. I absolutely love learning myself, and cannot wait to pass my passion for learning on to you!

When I'm not teaching or planning awesome things for us to do at school I enjoy reading, running, being pool side, shopping, dining-out, traveling, and spending time with dear family and friends.

I feel incredibly privileged to be given the opportunity to teach at Vista. Please let me know if you may have any questions or concerns. It is important to keep the communication open between us and I would love to talk to you whenever you feel the need.

Here's to many happy days in 2nd grade!

Elisabeth Wilbur  
4.ewilbur@nhashools.com

## Miss Meilian

Hello future 2<sup>nd</sup> graders! I can't wait to meet you all very soon. My name is Ms. Meilian and I just moved up to Grand Rapids, MI from Ohio. I received my bachelor's degree at Miami University in Early Education and earned a thematic sequence in Computer Science in 2022. This will be my 2<sup>nd</sup> year of teaching and I can't wait to learn from you all as well as teach you what is the most fun about 2<sup>nd</sup> grade.

Outside of school, I love exploring downtown with my friends and going out shopping and trying new food! I also love to draw and play board games with my friends and families.

I am so grateful to be teaching at Vista and I can't wait to see you all soon. Please let me know if you have any questions or concerns.

Let's have an awesome year in 2<sup>nd</sup> grade!

Meilian Wang  
4.mwang@nhaschools.com

## Miss Evans

Hello new 2nd grade Friends! I am so excited to welcome you to my class. My name is Miss. Evans and this is my 4th year at Vista Charter Academy, and I love it!

I graduated from Cornerstone University with a major in Learning Disabilities and minor in Reading and Elementary Education. My favorite thing about working with students is seeing their growth over time, not only in academics, but also in life skills.

When I am not teaching, I love to read, Paint, draw, and watch Disney and Marvel movies. I also enjoy relaxing and having fun with my family.

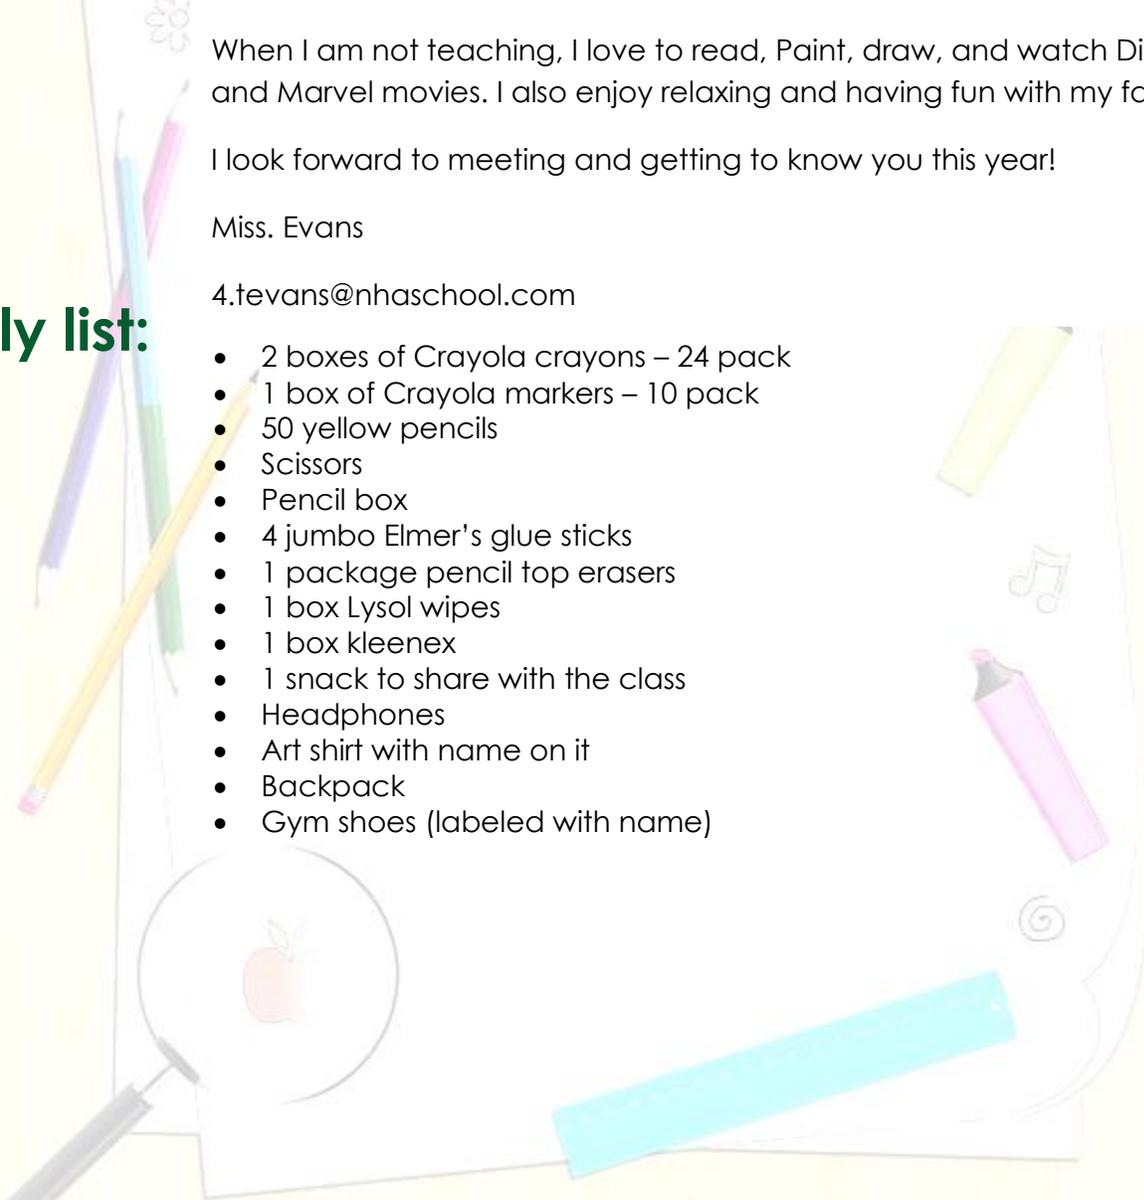

I look forward to meeting and getting to know you this year!

Miss. Evans

4.tevans@nhaschool.com

## Supply list:

- 2 boxes of Crayola crayons – 24 pack
- 1 box of Crayola markers – 10 pack
- 50 yellow pencils
- Scissors
- Pencil box
- 4 jumbo Elmer's glue sticks
- 1 package pencil top erasers
- 1 box Lysol wipes
- 1 box kleenex
- 1 snack to share with the class
- Headphones
- Art shirt with name on it
- Backpack
- Gym shoes (labeled with name)

## Second Grade “Highlights

Throughout the year, students will build reading, writing, and math skills through mastery of the common core standards. Students will also get to take part in many special days unique to second grade such as Earth Day, 100 Day, Black History month, Dr. Seuss Day, and Christmas Around the World. Students will learn to discover why, discover how things work, and begin to understand new things about our Earth around us! Second graders will enjoy field trips to the John Ball Zoo and Fredrick Meijer Gardens. It is so fun to see second graders learn and grow, while taking in the exciting learning opportunities!

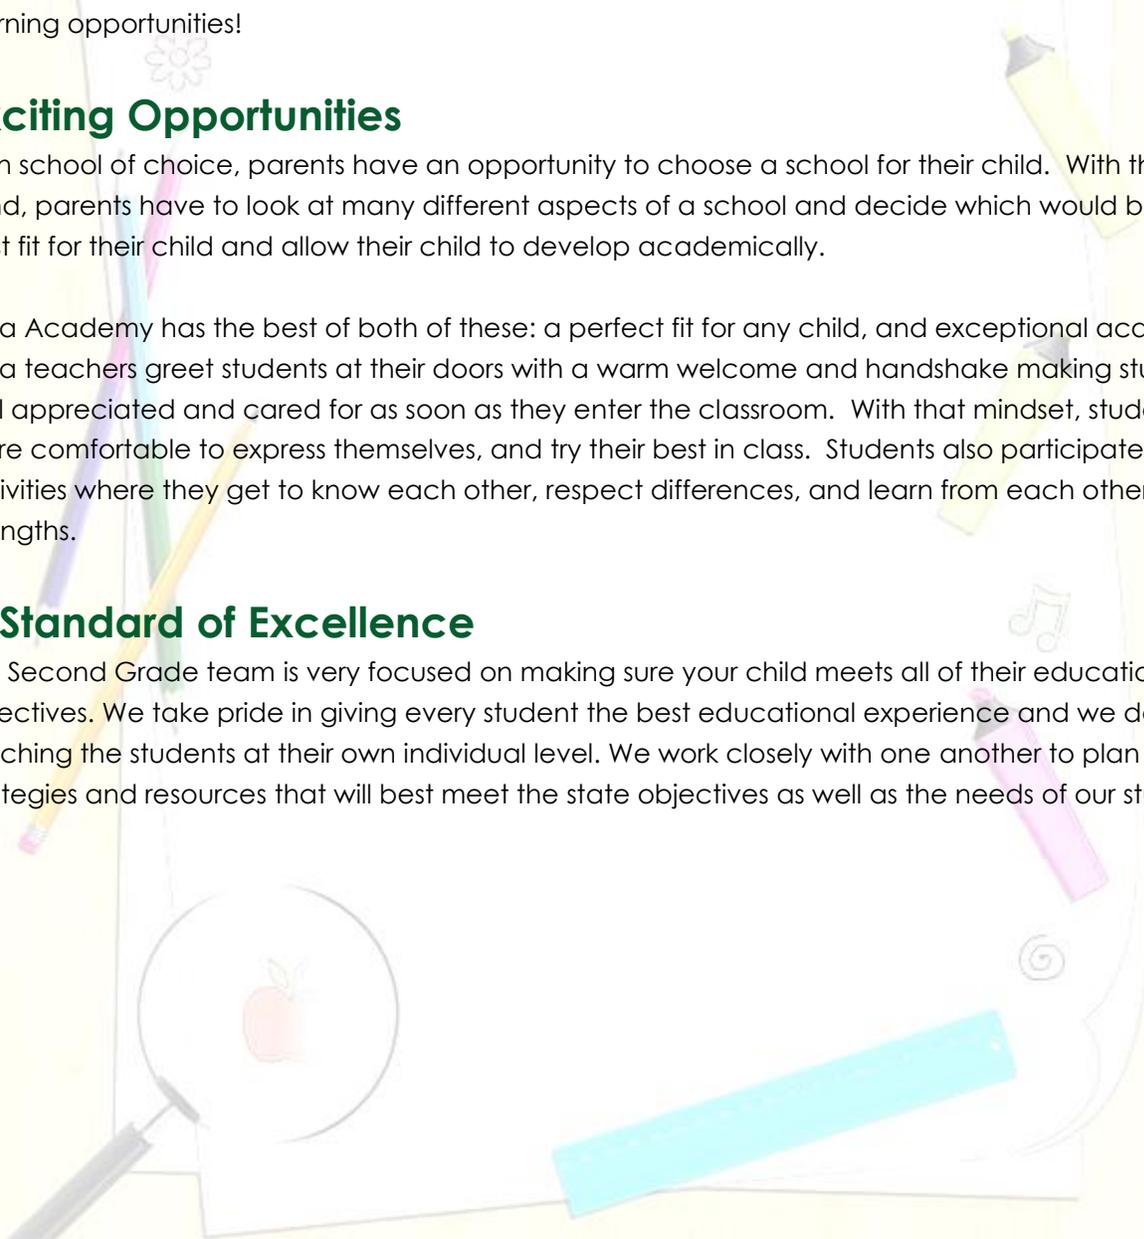

## Exciting Opportunities

With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically.

Vista Academy has the best of both of these: a perfect fit for any child, and exceptional academics. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to plan strategies and resources that will best meet the state objectives as well as the needs of our students.

# Welcome to 3rd Grade!

## Mrs. Radlinski

Hello, my name is Mrs. Radlinski and I am excited to be your Third grade teacher! This will be my tenth year at Vista, and my sixth year teaching Third grade! Before joining Vista I taught in Chicago and in Paris, France. I absolutely LOVE third grade and I know your child will, too!

In third grade we will be diving deeper into texts to grow our reading skills and in math we will learn multiplication and division, fractions, adding and subtracting 3-digit numbers and a lot more. Math is my absolute favorite subject to teach!

When I am not at school, I enjoy spending time with my family, friends, and cat named Prince. I have four younger siblings and three nieces. I absolutely love being an aunt! I also enjoy being active, traveling, and reading.

My favorite thing about teaching is watching my students' excitement as they learn new things and seeing how they light up as they reach their academic goals. It is truly a joy to see how much my students grow academically, socially, and emotionally throughout the year. I look forward to meeting your child soon. We are going to have a great year together! If you have any questions, please feel free to reach out!

[4.radlinski@nhaschools.com](mailto:4.radlinski@nhaschools.com)

## Mrs. Vander Klipp

Hello, my name is Mrs. Vander Klipp and I am excited to be your Third grade teacher this year! I attended Grand Valley State University where I earned my teaching degree with an English Language Arts major. This will be my sixth year at Vista, and my third-year teaching Third grade!

My husband Josh and I have been married for 11 years and have a four-year old son named Lawson and a sixth month old son named Conrad. We also have a dog and cat. Both of us come from big families and we enjoy spending time with them. We love to host family and friends over for dinners and game nights! I enjoy boating, reading, diamond painting and walking around the neighborhood while Lawson rides his bike!

My favorite thing about teaching is watching my students' faces light up as something clicks for them or they learned something new. I enjoy watching them meet all their academic goals and how much they grow as people too, throughout the year. I cannot wait to meet your child soon and I know they will have such a fun time in third grade! Please don't hesitate to reach out if you have any questions!

[4.evanderklip@nhaschools.com](mailto:4.evanderklip@nhaschools.com)

## Miss Henkelman

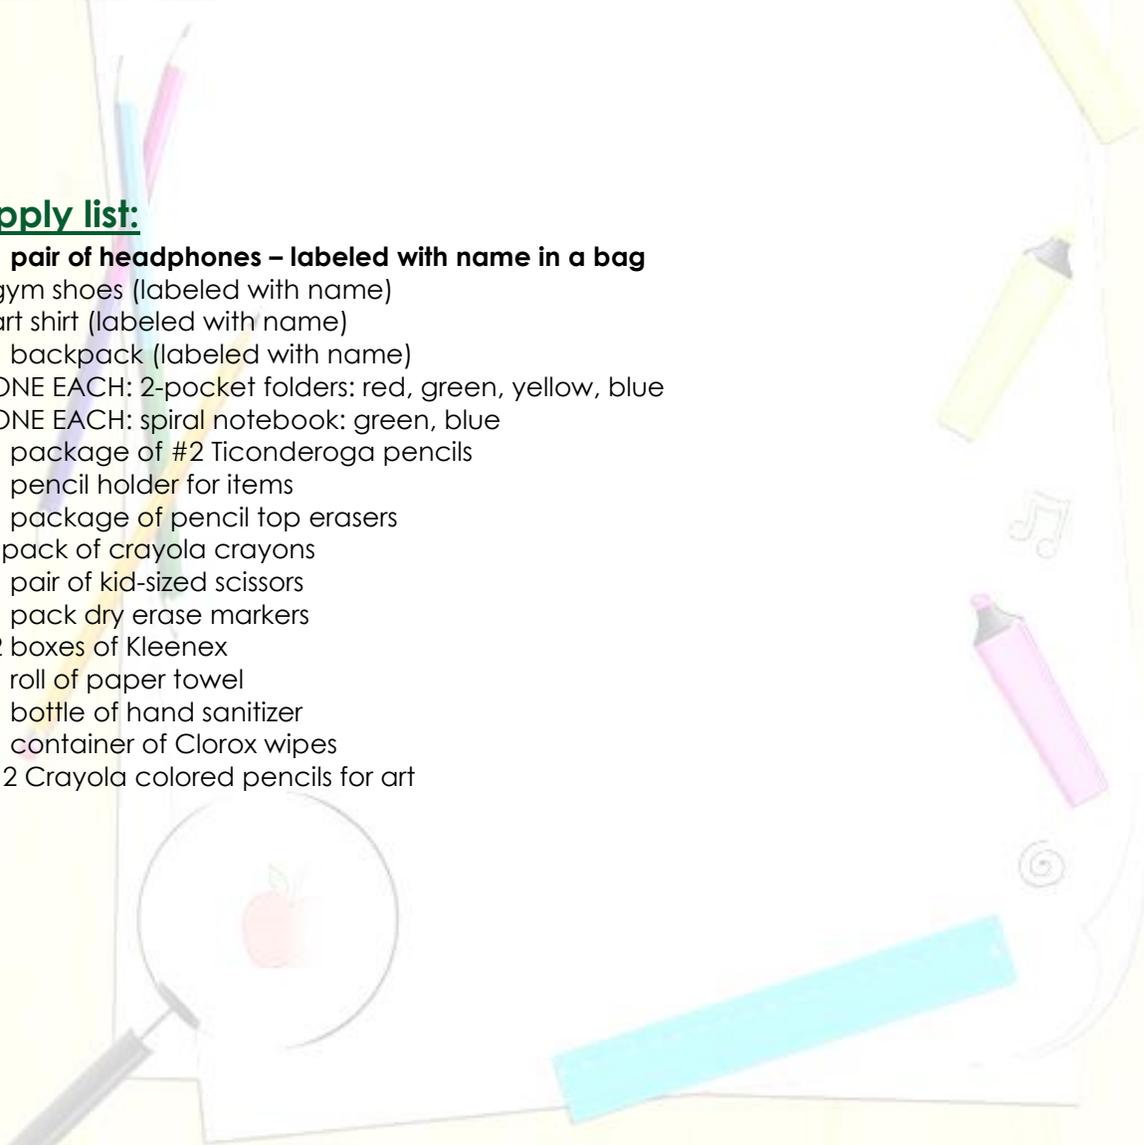

Hello, my name is Miss Henkelman and I am so excited to be your 3rd grade teacher this year! I attended Grand Valley State University where I earned my teaching degree with an emphasis in group social studies. This will be my 4th year teaching and my second year teaching 3rd grade at Vista!

In my free time I enjoy taking my furry companion Teddy on walks, soaking up the sun at the beach, and spending time with friends and family!

One of the most rewarding parts of teaching for me is forming strong connections with my students and seeing the joy on their faces as they grasp new concepts and expand their knowledge! I am so excited to meet everyone and truly can't wait for the school year to start! If you have any questions or concerns, please feel free to reach out. My email is [4.rhenkelman@nhaschools.com](mailto:4.rhenkelman@nhaschools.com).

### Supply list:

- **1 pair of headphones – labeled with name in a bag**
- gym shoes (labeled with name)
- art shirt (labeled with name)
- 1 backpack (labeled with name)
- ONE EACH: 2-pocket folders: red, green, yellow, blue
- ONE EACH: spiral notebook: green, blue
- 1 package of #2 Ticonderoga pencils
- 1 pencil holder for items
- 1 package of pencil top erasers
- 1 pack of crayola crayons
- 1 pair of kid-sized scissors
- 1 pack dry erase markers
- 2 boxes of Kleenex
- 1 roll of paper towel
- 1 bottle of hand sanitizer
- 1 container of Clorox wipes
- 12 Crayola colored pencils for art

## 3rd Grade “Highlights”

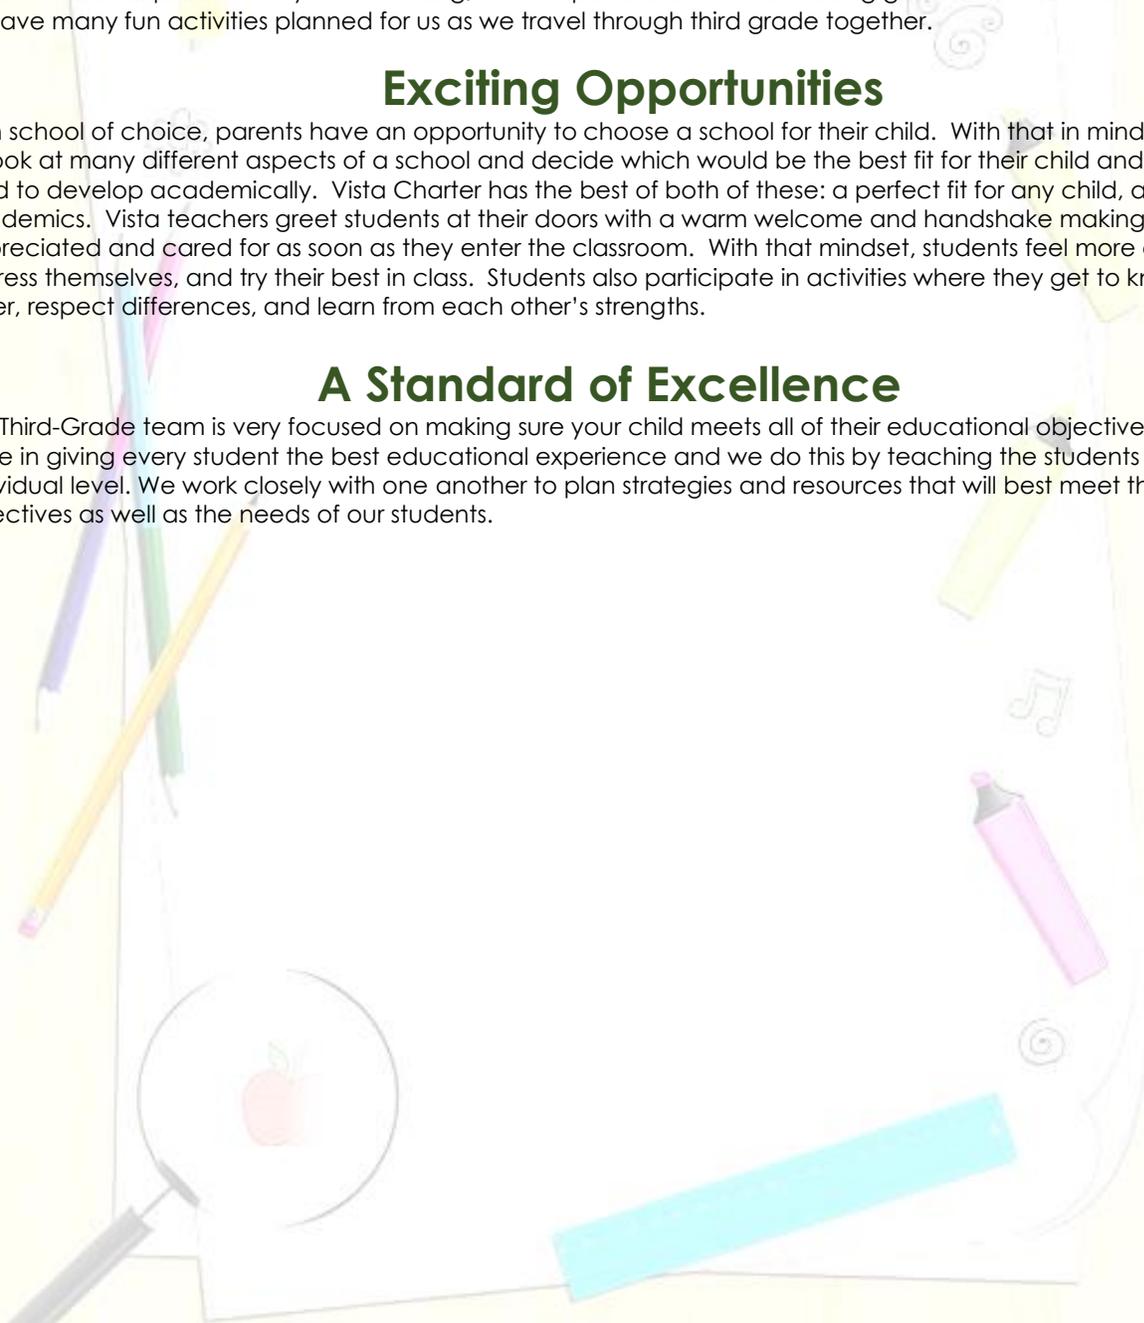

Third grade is a great year for learning! In math, we discover concepts like multiplication and division, as well as fractions! Get ready for our year-long multiplication challenge as you work toward mastering your facts! In science, we get to learn about forces and motion, rocks, and animals! Social studies in third grade is all about our state of Michigan – I can't wait to explore it with you. In reading, we will spend a lot of time reading great fiction and non-fiction stories. We have many fun activities planned for us as we travel through third grade together.

## Exciting Opportunities

With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically. Vista Charter has the best of both of these: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome and handshake making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other's strengths.

## A Standard of Excellence

The Third-Grade team is very focused on making sure your child meets all of their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to plan strategies and resources that will best meet the state objectives as well as the needs of our students.

# Welcome to 4th Grade!

## Meet the Teachers!

Hello. My name is Laura Chesser. or Ms. C. I grew up in a small town in Illinois. I received a Bachelor's degree in Elementary Education from Eastern Illinois University and hold a Master's in Education and Global Leadership from Western Michigan University. My family and I moved to Michigan in 2008 where I raised my two daughters as I worked for organizations to support families and individuals to gain benefits and support services. We enjoy Michigan so much. There is no other place I can imagine living.

When I am not in the classroom, I love to spend time with my girls who are now both in college. Katelyn is in Colorado (Go Mountain Lions!) getting ready to enjoy her senior year in Communications with a focus on Event Planning. Karalyne begins MSU this year (Go Spartans!) and majoring in Elementary Education. Karalyne and I put the classroom together! Richard and I are inseparable and do everything together. My mom and dad are a big part of my life and we travel and hang out as much as we can. I love to take road trips, go to concerts, cook, bake, craft, read and binge-watch shows. I do love to eat food-- I am pretty open there. I do love pistachio gelato and Mexican. Our pet babies are Stella (vizsla) and Willow (setter) and Bella (tuxedo cat). Both dogs are 4-year-olds and they are silly, loving companions in their own special way and are adored. Our sassy and finicky cat is Bella. We love her so much! She's a hoot.

I truly can't wait to get to know your child and work together.

Laura Chesser

"Believe you can and you're halfway there." Theodore Roosevelt

### Mr. Elmi

My name is Ahmed Elmi, this is my six-year teaching at Vista. I joined the Vista community in December 2017 as a paraprofessional. I graduated from Grand Valley State University with a major in Elementary Education with an emphasis on History. My core value consists of building and sustaining strong student relationships, encouraging student exploration, and developing a safe and welcoming classroom for all my scholars.

When I am not teaching, I enjoy reading, writing, and running. I read mostly historical fiction and biographies but lately I have been drawn to philosophy and psychology. My interest in writing is an extension of my reading, the more I read the more I want to write down my thoughts and inquiries about what I just read. I hope to get my students excited about reading and writing as much as I am. I look forward to teaching, exploring, learning from and with all my students.

### Mr. Brenninkmeijer

Hello! My name is Mr. Brenninkmeijer or Mr. B; I am very excited to be your fourth grade teacher. This is going to be my fourth year at Vista Charter Academy and I cannot wait!

I graduated in 2017 from Southern Methodist University with a Bachelor's degree in Business. After a couple of years in Marketing, I decided I needed a change. My love for teaching, coaching and being a positive role model for children inspired me to pursue a teaching career. I spent a year in Japan teaching English to students. It was during this time that I was certain teaching was for me!

When I'm not teaching, I enjoy spending time with my wife Livi, puppy Dobby and our cat Momo :D. I am also an avid sports fan, enjoy the outdoors, and love reading a good book to relax!

I feel incredibly privileged to be given the opportunity to teach at Vista. Please let me know if you may have any questions or concerns. It is important to keep the communication open between us and I would love to talk to you whenever you feel the need.

Ryan Brenninkmeijer- [4.rbrennkmei@nhaschools.com](mailto:4.rbrennkmei@nhaschools.com)

## Supply List

- backpack (big enough to hold folders, agenda, extra)
- gym shoes (labeled with name)
- art shirt (labeled with name)
- 50 pencils (no mechanical pencils)
- 1 package erasers
- 5 pocket folders (with name)
- 6 spiral notebooks (with name)
- 3 boxes of Kleenex
- 1 roll of paper towel
- 1 package of white board markers
- sock, old washcloth etc. for whiteboard eraser
- 1 box of crayons or 1 box of colored pencils (with name)
- 1 pair of scissors (with name)
- hand sanitizer
- 1 container of Lysol wipes
- 1 bottle of Elmer's glue for Art

## 4th Grade “Highlights”

Fourth grade is another exciting year packed with learning! In the classroom, students look forward to a Michigan History project, Animal Adaptations projects, Novel studies and exploring fractions. These projects, along with several other learning experiences allow students to collaborate with their fourth-grade peers. Our goal is to build a strong desire to learn in each student and to equip students with the academic tools needed to pursue that desire. Last year students were able to experience Greenfield Village and the Henry Ford Museum for a hands-on learning experience. We look forward to offering this experience to our fourth graders again for the 2021-2022 school year!

## Exciting Opportunities

With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically. Vista Academy has the best of both of these: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome and handshake making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other's strengths.

## A Standard of Excellence

The fourth-grade team is very focused on making sure your child meets all of their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to plan strategies and resources that will best meet the state objectives as well as the needs of our students.

# Welcome to 5th Grade!

## Meet the Teachers!

### Mrs. Zillich

Welcome to the 5<sup>th</sup> grade! My name is Mrs. Zillich. I have been a teacher for 19 years. This will be my 5<sup>th</sup> year at Vista. I have been a 5<sup>th</sup> grade teacher, a reading specialist, and a literacy coach. I have a wonderful family. My husband, Evan, and I have been married for 8 ½ years. We have an adorable, sassy 6-year-old daughter named Jamie. I also have two tabby cats, Mocha and Taz!

I am originally from Chicago, Illinois. I come from a very large family. I am number 5 out of 7 kids! I moved to Grand Rapids in August of 2014. I went to Marquette University in Milwaukee, Wisconsin for my bachelor's degree in Elementary Education. I went to Benedictine University in Lisle, Illinois for my Masters in Reading & Literacy and my Masters in English as a Second Language.

In my free time, I enjoy spending it with my family, reading, going to Chicago, and being outside. I am also very excited to be teaching at Vista Charter Academy again this year. I can hardly wait to get started with the many things that we will be learning together. I am looking forward to our journey together and the wonderful year ahead!

### Teacher #2

### Teacher #3

# Supply list:

- Backpack
- 12 glue sticks
- 36 pencils #2 (Ticonderoga pencils preferred)
- 1 box of markers (classic colors)
- 4 dry erase (Expo) markers
- 1 pair of scissors
- 1 box of colored pencils
- 5 - 2-pocket folders
- 6 spiral notebooks
- Headphones - labeled
- 2 packs of lined paper
- 4 erasers
- 1 pencil box
- 4 count of highlighters
- 1 box of 24 count crayons
- art shirt with name on it
- gym shoes
- 3 boxes of Kleenex
- 2 rolls of paper towels
- 2 bottles of hand sanitizer
- 2 containers of sanitizing wipes

## 5th Grade "Highlights"

In fifth grade, students get to do a variety of things. Some of those things are competing in our school-wide spelling bee, taking some exciting field trips, and performing many fun science experiments! We learn about multiplication with large numbers, long division, geometry, units of measurement, decimals, and fractions in Math. Our Science topics include learning about ecosystems, interactions in matter & energy, space, earth systems, and reducing our footprint on earth. In Social Studies, we learn about how the United States of America became a country. We will also read some really great books, write in a variety of styles, and learn about poetry. Get ready for an awesome year of learning!

## Exciting Opportunities

With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically. Vista Academy has the best of both of these: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome, making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other's strengths.

## A Standard of Excellence

The fifth-grade team is very focused on making sure your child meets all of their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to plan strategies and resources that will best meet the state objectives as well as the needs of our students.

# Welcome to 6th Grade!

## Mr. Hosko

Hello, my name is Mr. Hosko, and I am one of the 6th grade teachers! I graduated from Cornerstone University, and I have a Bachelor of Arts in Leadership. I am also enrolled in an alternative routes program through Professional Innovators in Teaching. I am working toward my teaching certification. This will be my second-year teaching 6th grade at Vista, and I have been teaching in various roles at Vista since 2020.

During the school year, I live in Belding (near Greenville) and enjoy Friday night football games, hiking, traveling, and camping. During the summer, I work at the YMCA summer day camp in Lowell. There, I work as one of the day camp leads where I spend my days outside supporting day camp counselors and campers throughout the day.

My favorite thing about teaching sixth grade is the excitement to learn new things. I enjoy teaching our sixth graders aspects of history and science. Seeing students' excitement for experimenting and learning something new is the reason I have a passion to be a classroom teacher. I am looking forward to a fun year filled with experiments and learning about our world.

## Miss Meadows

Hello and welcome to Sixth Grade! I graduated from Grand Valley State University in 2014 with a degree in education and English. I began my career at Vista as the Teacher in Residence before getting my own classroom. This will be my ninth year at Vista Charter Academy and my eighth-year teaching sixth grade! In my free time, I enjoy being outdoors. I love to take my dog, Bodie, on hikes and to the beach. I also enjoy spending time with my family and friends. I love to travel and explore new places and cultures. I also love reading and making crafts. I'm excited to get the 2024-2025 school year started!

## Supply list:

- 3 boxes of pencils
- 1 Box of Crayons
- 1 Box of Colored Pencils/Markers
- 1 Set of Highlighters
- Hand Pencil Sharpener
- 2 Erasers
- 1 1-inch Binder

## 6th Grade “Highlights”

- In English Language Arts, we will be reading a collection of novels throughout the school year and exploring their themes and structure.
- In Social Studies, we will study the cultures, history, and geography of each continent!
- In Science, students will focus on Earth and Space science to make more sense of the world around them.
- Students will have the opportunity to participate in multiple sports teams. These include basketball, soccer, volleyball, and cross country.

## Exciting Opportunities

- With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically.
- Vista Academy has the best of both of these: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome and handshake making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other's strengths.

## A Standard of Excellence

- The sixth-grade team is very focused on making sure your child meets all of their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to plan strategies and resources that will best meet the state objectives as well as the needs of our students.

# Welcome to 7<sup>th</sup> Grade!

## Meet the Teachers:

### **Nathan Piersma – English Language Arts**

I am a graduate of Trinity Christian College and am starting my 8th year as the 7th grade ELA teacher here at Vista. In my class, students explore reading and writing and find ways to apply their skills in their daily lives and beyond. In my spare time, I enjoy adventuring of all sorts: reading science fiction and fantasy, playing games like Dungeons and Dragons, or travelling the country with Mrs. Piersma! My favorite food is anything I have not tried before, and my favorite adventures are the kind that lead to learning. I am excited to be here at Vista again and can't wait to dig into more

### **Mr. Rodgers—Mathematics**

After graduating from Central Michigan University in 2001 with a math major and language arts minor, I taught four years of 6th grade in Northern Michigan. While there, I earned my master's degree in education from Marygrove College in Detroit. This will be my thirteenth year at Vista and my eighth year teaching 7th grade math.

My wife, Erica, and I have four children. Chloé (25) attended Grand Rapids Community College and has moved into her place. Oriana (23) recently graduated from East Kentwood high school, and Lennon (17), and Saturn (14) will be entering 12th and 9th grades at East Kentwood High School. We enjoy going camping, swimming in Lake Michigan, and checking out local parks and splash pads. I enjoy many sports and I rarely miss a Detroit Tigers' game on TV. My favorite thing about teaching 7th grade is interacting with the students and watching them grow. I love to engage students in intellectual conversation and listen to their ideas and opinions about a variety of topics. I truly enjoy being able to help students grow into mature, responsible young adults. I am excited to see how each of you will grow this year!

### **Ms. Lara– Science**

I am excited to be at Vista again as the 7<sup>th</sup> and 8<sup>th</sup> grade science teacher and Cross Country coach. I am looking forward to meeting everyone next year at Vista!

I am a graduate of Rock Valley College and Northern Illinois University. I have spent the last 6 years teaching in Japan from pre-K to University level. I am ecstatic to be teaching again in America, but more so here at Vista with great students and coworkers.

I have 2 sons (28 and 21) and two grandsons and my chihuahua (Titus) – who I brought back from Tokyo. I love sports – running, MMA, baseball (Chicago Cubs), and sumo wrestling. I am an international artist. I have exhibited my artwork in Japan and have collectors from Korea to Mexico. I speak English, Spanish, and Japanese.

I am excited to see what the new year will bring us!!!

# Supplies needed:

## ELA:

Pencils/Pens  
1 Spiral notebook  
Loose leaf paper  
Folders (2)  
1 Box of tissue  
Hand Sanitizer

## Science:

1 Spiral notebook  
1 Box of colored pencils  
1 Pencil Sharpener  
2 Folders

## Math:

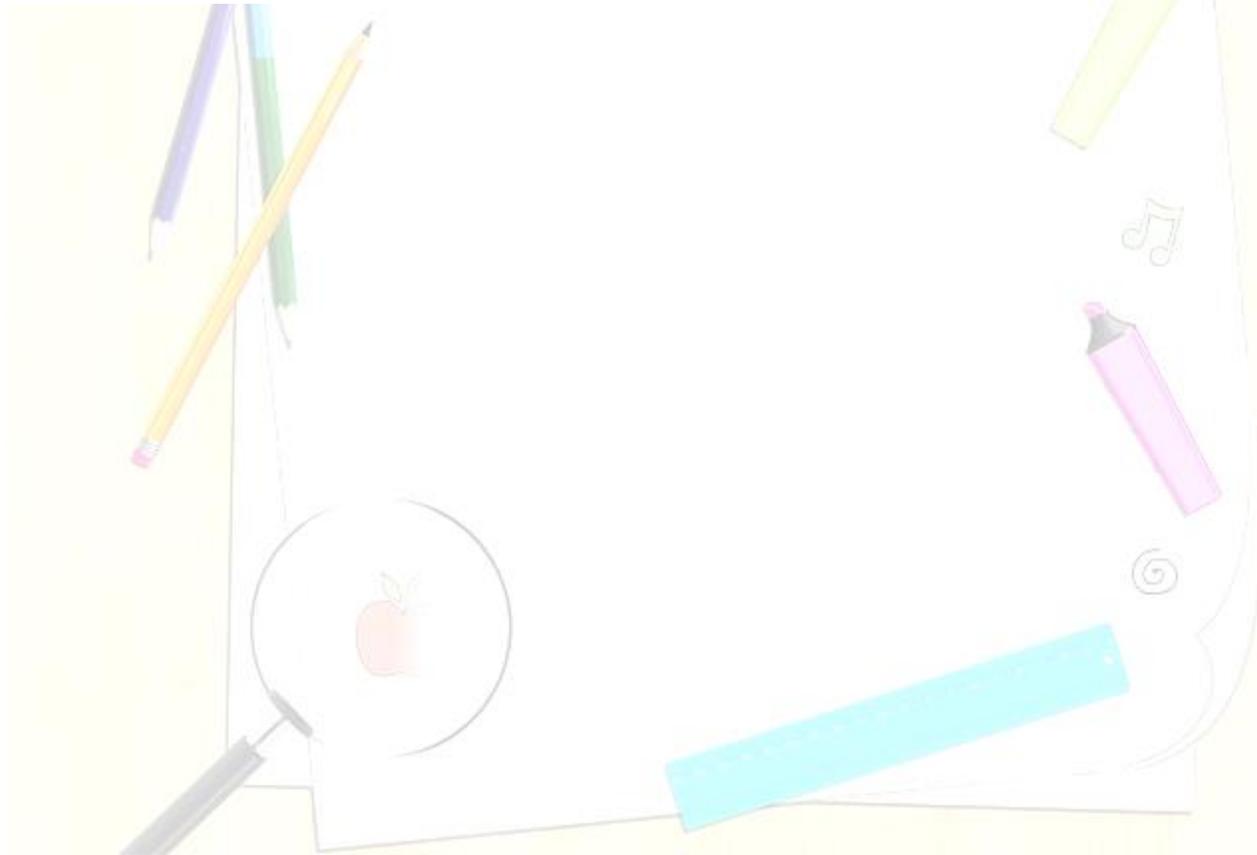

Calculator (TI-30x)  
Loose leaf paper  
Pencils/Erasers  
Pencil Sharpener  
2 Boxes of tissue

## Social Studies:

Notebook for notes  
Coloring utensils  
Pencils  
Markers/coloring pencils  
1 Box of tissue

## General Materials:

3 ring 2 inch binder or Trapper Keeper  
Plenty of pencils and pens  
Colored Pencils & Markers for Art

## Exciting Opportunities

With school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents must look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically. Vista Academy has the best of both: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome and handshake making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other's strengths.

## A Standard of Excellence

The Seventh-Grade team is very focused on making sure your child meets all their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level. We work closely with one another to make sure that we are sharing our strengths and weaknesses as a team. We meet weekly to plan strategies and resources that will best meet the state objectives as well as the needs of our students

## 7th Grade Highlights

In Math, we will be making calculations with positive and negative integers, converting between fractions, decimals, and percent's, finding the surface area and volume of three-dimensional shapes, solving simple algebraic equations, and finding the probability of an event.

In Science, students will be participating in many labs that are hands on experiences for students to explore concepts. These labs will allow students to use materials such as food and chemicals to demonstrate a concept. Students will also work on a weather project in which they will create a forecast for the United States and report to the class.

In Social Studies, the students will learn about the early humans and the creation of structured societies, move into the empires, religions, and governments that ruled the world, and finally end with the discovery of the Americas (4 million BC – 1500 AD). We will be collaborating a lot in class through discussion and projects because history is best learned through experience. My goal is to help students make connections between the past and present to shape the future.

In ELA, you will explore many genres, including historical fiction, realistic fiction, biographies, autobiographies, and more. In class, you will read, write, and get creative as you delve into the many exciting topics that will be covered. You will learn how to conduct research and present your information to others.

# Welcome to 8<sup>th</sup> Grade!

## Meet the Teachers:

### Ms. Bak- English Language Arts

I graduated from Aquinas College with a degree in Elementary and Middle School Education. I have been teaching English Language Arts for the past seven years at Vista. I love working with middle school students because this is a great age where we can let students use their voice while teaching content. I graduated from Aquinas in 2020 with a Master's Degree and ESL Endorsement.

My family is very important to me, and I love spending time with them. I have identical twin nieces that turned five in April and a one year old nephew, and I love watching them grow up. I grew up right here in the Grand Rapids area and am involved in many athletic activities. I love to spend my free time watching Michigan Football and exploring new things. I have traveled all over the United States, Haiti, Puerto Rico, and Mexico. I believe that these experiences will allow me to provide your children with connections that will lead to success in ELA. I am eager to get to know each individual student and I am excited to engage them in novel studies, writing, and personal character-building activities. I hope that throughout this school year I can convey to your children my love of literature and writing and help them find qualities within themselves to find an interest in these areas as well. My goal this school year is to impact them in a positive way and get their minds to think more critically and creatively.

### Mrs. Lesniak- Mathematics

I am a graduate of Grand Valley State University with a degree in Elementary Education focusing on Mathematics. This will be my sixth-year teaching middle school math at Vista. I am looking forward to building relationships with both my students and their families. I love mathematics because it gives students the chance to make discoveries, learn from their mistakes, and use critical thinking skills!

Outside of the classroom, I love to go to the beach, play with my dogs Lexie and Penny, travel, and hang out with family and friends. I also enjoy golfing, playing volleyball, and staying active! I am excited to share my love of mathematics and teaching with your children. I cannot wait to help your children grow into young mathematicians! I am looking forward to the coming year!

### Ms. Lara - Science

I am excited to be at Vista again as the 7<sup>th</sup> and 8<sup>th</sup> grade science teacher and Cross Country coach. I am looking forward to meeting everyone next year at Vista!

I am a graduate of Rock Valley College and Northern Illinois University. I have spent the last 6 years teaching in Japan from pre-K to University level. I am ecstatic to be teaching again in America, but more so here at Vista with great students and coworkers.

I have 2 sons (28 and 21) and two grandsons and my chihuahua (Titus) – who I brought back from Tokyo. I love sports – running, MMA, baseball (Chicago Cubs), and sumo wrestling. I am an international artist. I have exhibited my artwork in Japan and have collectors from Korea to Mexico. I speak English, Spanish, and Japanese.

I am excited to see what the new year will bring us!!!

## Mr. Tarach —Social Studies

I am a graduate of St. Norbert College with a degree in English and I have a Master of Business Administration degree from Keller Graduate School of Management. I have been married for 33 years and my wife and I have three children. We are expecting our first grandchild in September of this year! I love music and have a robust vinyl collection. Also, I am a free-market enthusiast and try to relate our subject matter to economics and different systems of government. I am originally from Chicago, and I am a big Cubs, Blackhawks and Bearss fan!

I started at Vista in April of 2023 and started the 2023-2024 school year as the Social Studies and Science teacher for 6<sup>th</sup> grade. In January of 2024 I transitioned to the 7<sup>th</sup> and 8<sup>th</sup> grade Social Studies teacher. I am looking forward to working with all the 7<sup>th</sup> and 8<sup>th</sup> graders for next school year. It is going to be a great year!!

## Supplies Needed:

### ELA:

2 composition notebooks for writing journals  
Loose leaf notebook paper  
Highlighters, markers, colored pencils, pencils  
Sticky Notes

### General Materials:

Pencils and Erasers  
Plenty of pens (blue, black, red) and pencils  
6 folders (different colors)  
1 pack of 2 black Sharpie Markers labeled "Art"  
Case to carry Chromebook (not mandatory but good idea to have) dimensions: 17.5x10x3 inches

### Social Studies:

1 Spiral Notebook specifically for Social Studies  
1 pocket folder for notes  
Coloring utensils  
1 Box of Tissue  
Pencils (10)  
Hand sanitizer, disinfectant wipes

### Math:

Pencils  
Lined Paper  
Coloring Utensils (markers and colored pencils)  
Expo markers

### Kleenex

Coloring utensils (markers and colored pencils)  
3 ring binder, loose paper, and dividers (4 minimum)  
Clorox Wipes/Hand Sanitizer

### Science:

Pencils  
1 Box of Tissues  
hand sanitizer  
Highlighters  
1 Spiral notebook  
2 pocket folders

## 8th Grade “Highlights”

In **English Language Arts**, students will be using Novel Studies and Mentor Texts to facilitate their learning in reading and writing. I am excited to use current topics and student experiences to help facilitate peer discussion, comprehension, and application of skills. Students will be working on a variety of writing projects such as argumentative essays, research papers, narratives, and poetry. Vista's 8<sup>th</sup> graders are the leaders of our school and we are looking forward to this 2023-2024 school year.

In **Social Studies**, the students will learn about the discovery, the building, and the expansion of the United States of America all the way until after the Civil War (1492-1875). We will be collaborating a lot in class through discussion and projects because history is best learned through experience. My goal is to help students make connections between the past and present to shape the future.

In **Math**, the students will explore content through trying new things, playing games, and working together. A lot of what we do in math is sharing our answers aloud, collaborating to solve problems, and communicating to find the mistakes we have made in our work. I am so excited to grow as mathematicians with your students!

In **Science**, students will be focusing mainly on Astronomy, Body Systems, Electricity and Magnetism. They will be completing research projects on the Solar System, including each of the planets. When studying Body Systems, students will be dissecting a rat and identifying the parts and systems they learned in class.

## Exciting Opportunities

With a school of choice, parents have an opportunity to choose a school for their child. With that in mind, parents have to look at many different aspects of a school and decide which would be the best fit for their child and allow their child to develop academically.

Vista Academy has the best of both of these: a perfect fit for any child, and exceptional academics. Vista teachers greet students at their doors with a warm welcome and handshake making students feel appreciated and cared for as soon as they enter the classroom. With that mindset, students feel more comfortable to express themselves, and try their best in class. Students also participate in activities where they get to know each other, respect differences, and learn from each other's strengths. Please be on the lookout for information regarding 8<sup>th</sup> grade field trips. Your child will have the opportunity to go to Washington, D.C. There will be more information released when school starts in the fall.

## A Standard of Excellence

The Eighth-Grade team is very focused on making sure your child meets all of their educational objectives. We take pride in giving every student the best educational experience and we do this by teaching the students at their own individual level.

We work closely with one another to make sure that we are sharing our strengths and weaknesses as a team. We meet weekly to plan strategies and resources that will best meet the state objectives as well as the needs of our students.
